PART I GUIDELINES

Community Arts Program Description

The Community Arts grant program provides grants of up to \$5,000 in project support for groups wishing to offer quality arts activities in any discipline to communities within the seven-county metropolitan area. In this program, MRAC assigns a “block” of funds in each county to ensure that arts activities take place throughout the region.

Community Arts is recommended for smaller, established arts groups; newly formed groups; community-based and volunteer groups; or first-time initiatives. Grant requests must outline specific activities that may include costs for artists and other personnel, postage, supplies, equipment, printing, travel and other related expenses necessary to carry out the project.

Program Requirements

For every four MRAC dollars requested, you must match or raise one dollar from a source other than MRAC. Match sources may include general operating funds, past surpluses, other grants, and earned income or revenue you plan to raise specifically for this project.

Example: with a total project budget of \$6,250 you may apply for a Community Arts grant of up to \$5,000. You must then match the \$5,000 request with \$1,250 in cash from other sources.

In-kind donations of any kind may not be used to supply the match (see definition, page 6).

About in-kind donations: In-kind goods and services can not be included in the budget for your Community Arts grant application. You may choose to example your in-kind donations in the narrative section of your application. In-kind means donated goods and services for which your group would otherwise have to pay.

About matching funds: if you have received or are applying for project support from other Minnesota State funding sources for the same activity, you can not receive more than 80% of the total cost of the project from the combination of MRAC and other State funds.

About earned income: provide detail about how this money will be earned in the space provided on Project Budget/Income, page 19. *Example:* if your project is a public performance, note the anticipated number of tickets to be sold, purchase price per ticket and total income projected.

Before You Apply – Technical Assistance

Staff Assistance

MRAC has two program directors for Community Arts who can answer application questions and review applications prior to submission.

For applicants in Carver, Dakota, Ramsey, Scott, Suburban Hennepin and Washington counties, please contact Bob Burns, bob@mrac.org or 651-523-6386.

For applicants in Anoka county and Minneapolis, please contact Greg Nielsen, greg@mrac.org or 651-523-6381.

Application Workshops

MRAC offers free application workshops that address the process and criteria specific to each grant program. You are encouraged to attend a workshop to learn about changes in programs, get questions answered and discuss project ideas with program directors and other arts colleagues.

Grant Library

Because MRAC re-grants public funds, submitted applications are public information. MRAC maintains a library of these grant applications and recorded panel discussions. Applicants are encouraged to review grant applications and panel discussions to enhance their understanding of the process and improve their applications. If you call ahead, your program director can identify the successful applications most relevant to your project.

Website

Visit www.mrac.org to find additional information about MRAC programs, workshops and events, and to register for application workshops.

What Happens After You Apply

- MRAC staff reviews all applications for eligibility. Errors may reduce the size of your award or make the application ineligible. All late and incomplete applications are ineligible.
- A peer review panel reviews all eligible applications. In the spirit of the Minnesota Open Meeting Law, the panel meeting is open to the public. Applicants are encouraged to attend to enhance their understanding of the application review process and to hear the panelists' comments directly. All applicants will be notified of the meeting.
- The panel submits its recommendations to the MRAC board of directors, which makes the final decisions on funding.
- Within 30 days of the panel review, applicants receive a letter notifying them of the board's decision. A list of funded applications is also posted on the MRAC website. If you want more insight on your grant's review, you may call your program director for feedback.
- The board's funding decisions may be appealed solely on alleged procedural errors. There is no right of appeal based on the size of the grant awarded or on disagreements with the review panel's assessment of your application. Appellants must request an appeal in writing within 30 days of notification of the board decision. Call MRAC at 651-645-0402 for a copy of the appeal process.

Definitions

What is a fiscal sponsor?

A *fiscal sponsor* is a nonprofit, tax-exempt organization that receives MRAC grant monies and manages the financial aspects of the project on behalf of a group that does not have tax-exempt status.* Your fiscal sponsor must be based in Minnesota; it may be an arts or social services organization, school, city or government agency.

*Individual artists or groups incorporated as a for-profit entity may not apply using a fiscal sponsor.

What does in-kind mean?

In-kind refers to non-cash donations of goods and services for which your group would have to pay. In-kind goods and services may not be included in the budget for any MRAC program.

What determines a project's start date?

MRAC does not fund projects that are already under way. MRAC defines a project's start date as the point at which financial or other commitments are made that set the project in motion (e.g. rehearsals begin, contracts are signed, marketing materials are printed). Because MRAC is a distributor of a legislative appropriation, and requires that all printed materials acknowledge the legislature as a funding source, grantees must wait until award notification before printing publicity materials. Please call MRAC if you are unclear about whether MRAC would consider that your project has started.

What is an ADA access plan?

ADA refers to the 1990 Americans with Disabilities Act. This federal law makes access to cultural programs and services for persons with disabilities a civil right. In the spirit of that law, MRAC believes that the receipt of public money obligates its grant recipients to ensure that people with disabilities can fully participate in and enjoy arts activities.

One approach to understanding the many ways a group can become more accessible is to develop an ADA access plan. Such a plan serves to assess the accessibility of an organization's programs, services and facilities and define strategies for improvement. Completing an ADA access plan will help you to address the criterion of access in your grant application. MRAC has published an ADA access planning guide. Call 651-645-0402 to request a copy or download it from www.mrac.org.
